SUBJECT: Small Business Enterprise (SBE) Certification Approval

Congratulations, the City and County of Denver's Division of Small Business Opportunity (DSBO or Division), has approved Terradyne Engineering, Inc. for certification as a **Small Business Enterprise (SBE)**. Terradyne Engineering, Inc. will be listed in the City and County of Denver's Small Business Enterprise (SBE) Certification Directory. This notification is pursuant to Article VII of Chapter 28, Div. 3 of the Denver Revised Municipal Code (D.R.M.C. or the Code) Construction, Reconstruction, Remodeling and Professional Design, Construction Services and Concessions.

Listed below is each NAICS code for which Terradyne Engineering, Inc. is certified. Please verify your NAICS codes as this letter showing the following codes is required for bidding on City projects:

NAICS CODES:

NAICS 541330: GEOLOGICAL ENGINEERING SERVICES
NAICS 541380: GEOTECHNICAL TESTING LABORATORIES OR SERVICES
NAICS 541380: SOIL TESTING LABORATORIES OR SERVICES

This certification is intended to be used only for participation in city funded projects, and/or certain privately funded projects on city owned property for contracts with construction, reconstruction, remodeling, professional design and construction services.

Your firm is certified with the following certification dates:

March 10, 2020 to March 31, 2022

Your firm's certification renewal date is:

March 31, 2021

Important Information Regarding Your Certification

During the certification period, your business enterprise is required to maintain an accurate mailing address, email address and telephone number information with DSBO. If any changes occur in the firm's legal structure, ownership, management, control, or work performed, you must notify DSBO immediately. **Failure to report any of these changes may result in removal of your business enterprise from the Certification Directory, and possible revocation of certification of your business enterprise as an SBE.**

Please be aware that your firm's SBE certification is valid for three (3) years, but you are **required** to submit a no change affidavit and business taxes **annually** to verify eligibility. It is your responsibility to keep your certification current. Please mark your calendar and begin the renewal process no less than ninety (90) days prior to your renewal date. Your application and all accompanying documents should be uploaded to the Small Business Certification and Contract Management System (<https://denver.mwdbe.com/>). The recertification process may take up to 90 days. **Failure to submit required documentation annually, your certification will be marked expired and removed as an active certification.**

Please add denver@mwdbe.com to your safe sender list because a considerable amount of the communication DSBO sends out comes from the Small Business Certification and Contract Management System.

Be sure to retain this letter as verification of SBE certification standing for future bidding/proposing opportunities with the City. Now that your firm is certified, we encourage you to visit www.work4denver.com to view upcoming Construction/Professional Service contracting opportunities and check the Rocky Mountain E-Purchasing System (BidNet) for additional upcoming Construction, Goods & Services contracting opportunities. For additional information related to how your certification works with contracting opportunities with the city please visit www.denvergov.org/dsbo.
